# क्या आप इसी बर्ष MBBS में एडिमशन लेना चाहते है ?

कुछ विद्यार्थी डॉक्टर बनने के बारे में सोचते हैं पर कुछ खास विद्यार्थी ही डॉक्टर बन पाते हैं क्योंकि वे सही समय पर सही निर्णय लेते हैं। क्या आप 12वीं के बाद साल Drop करने के बारे में सोच रहे हैं। 2013/2014/2015 में जिन विद्यार्थियों ने Drop लिया उनमें से अधिकतर विद्यार्थी या तो MBBS में प्रवेश न मिल पाने के कारण MBBS की उम्मीद ही छोड चुके हैं, और या फिर कई विद्यार्थी अभी भी AIPMT/NEET के Exam देकर अपना समय व धन व्यर्थ कर रहे है।

#### Dear Students & Parents,

We have calculated all cost with 65 Rupees for each USD. Beware if someone is giving low fees package for same/ other university. They would have calculated with old USD rates i.e. 55/60 Rupees to misguide students-parents & also to decrease the cost. Living/food cost may vary depending upon spending habits of individual.

Total Package Including: Tuition Fees, Hostel, Food, Admission Process, Induction/Orientition Programme, MBBS startup Kit, Indian International Insurance, VISA & Travel arrangement. Flight ticket, Airport Pickup, Hostel Drop & other post admission services.

# How to Take Admission in MBBS

Clear AIPMT & Take Admission Through Merit (Minimum 20-25 Lakh in Indian Private College)

40000 to 50000 Seats (Management / NRI Quota and Category Based Admission General, SC, ST, OBC PH Makes in Even More Difficult) in India & Approx 8 to 10 Lakh Students

If You Drop-Cost of Coaching + Food + Hostel, Loss of 1 Year Doctor's Salary and Frutration Pay Donation & Take Admission Through Management Quota

Including Fees + Food + Hostel + Donation will Cost Between 60 to 90 Lakh Rupees

This Option is Available Only if Your Have Money as Mentioned Above.

No Education Loan for Donation Amount Exit Exam (Same as MCI Test) is Expected from Next Year (For Students Doing MBBS in India) MBBS Abroad @ Low Cost & Be An International Doctor

With Fees + Food + Hostel + Ticket + Visa + Other Cost Starting from 15 Lakh, Options Available in China, Bangladesh Europe, South America & Many Other Countries

International Exposure, Big Hospitals, Latest Technology Opportunity to Work & Settle Abroad, Developing Network of International Doctors

Passing MCI Screening Test is Easier Than Clearing AIPMT for Merit Based Admission. Only 50% required to Clear MCI Test & Practice in India

Choice is All Yours, Invest or Waste A Year. Because Being Doctor is More Important.

Drop Means: Cost of coaching + 1 year of Career + Loss of 1 Year Doctor's Salary & Experience = No Certainty "Even Coaching Institute Can Not Guarantee"
